

State autonomic institute of higher education
THE FIRST MOSCOW STATE MEDICAL UNIVERSITY
(Sechenov Medical University)

NEWSLETTER

DEAR COLLEAUGES!

We invite you to take part in the
Annual International Contest of anatomy drawing

IMAGO ANATOMICA ‘VESALIUS- 2017’,

which will take place **on November 24th** in the First Sechenov Medical University.

We invite the students of medical universities and colleges as well as teaching staff to contest to win.

The exhibit is held from 10th to 24th of November

at the Department of Human Anatomy of I.M Sechenov First Moscow State Medical University.

The drawings must be sent via Mail of Russia or a courier service until **10th of November** to the following address:

125009 Moscow, Mokhovaya str, 11/10. Department of Human Anatomy of I.M Sechenov First Moscow State Medical University.

Completed application form (below) should be send in advance to the organizing committee e-mail address: imagoanatomica@gmail.com

No participation fee.

The works submitted for the contest (drawing, painting, sculpture, arts and crafts, photography, computer graphics) are supposed to reveal the dignity of medical profession, the structure and beauty of human body forms reflected in artistic images.

The size of the drawing required should not be less than A4 (drawing tools can be a pencil, watercolor, oil, gouache, pastel, ink etc.)

The results of the anatomy drawing contest will be summed up on 24th of November. A competent jury will provide the assessment.

The best art pieces will be accessioned into the collection of the oldest anatomical museum in Russia.
