under the auspices of

**the Dean of Faculty of Medicine Comenius University
Juraj Šteňo, MD, DSc., Prof.**

and

**the Chairman of Health Care Surveillance Authority
Tomáš Haško, MD, MPH**

PRESIDENTIAL MESSAGE

Dear Colleagues and Guests, Ladies and Gentlemen!

The tradition of Krsek Conference of Forensic Medicine in Bratislava has been developing for more than fifty decades. We, forensic professionals in Bratislava, are honoured and pleased to organize and host, on the behalf of Slovak Society of Forensic Medicine, the 51st anniversary of this event. Our pleasure is intensified with the fact that this Conference will be organized together with 25th International Meeting on Forensic Medicine Alpe – Adria – Pannonia.

The world becomes smaller and international cooperation, common projects and personal contacts are vital in academic life and research. We hope that the Congress will provide an opportunity to share new knowledge, learn about scientific and professional progress and exchange experiences with other colleagues in the forensic profession. The Congress will discuss the key issues related to all fields of forensic medicine and forensic sciences. We hope that the Congress will be a forum where delegates can debate current challenges in forensic practice including education, training and research in view of the changing and complex environment in contemporary Europe.

The scientific program of the Congress is composed of 53 presentations of participants from 18 countries concerning practically all the fields of forensic medicine and forensic sciences. We hope that knowledge and experience presented within the scientific program will be encouraging and inspiring for fruitful discussions and will be beneficial and applicable in daily practice.

It is our great pleasure to welcome you to participate in this event. We do hope that the scientific program will be successful, beneficial and enjoyable for all participants who have the opportunity to visit the beautiful Bratislava and spend your valuable time with us. We assure you that the organizers of this Congress will do their best to make the event a true success.

Let us wish you a pleasant stay in Bratislava!

Jozef Šidlo
with co-workers

GENERAL INFORMATION

Congress title

51. Krsekova súdnolekárska konferencia (51st Krsek Conference of Forensic Medicine)
and
25th International Meeting on Forensic Medicine Alpe – Adria – Pannonia

Date

Wednesday June 7th to Friday June 9th, 2017

Keynote topics

Original papers and casuists from all fields of forensic medicine and forensic sciences.

Language

The official congress language is English. No simultaneous translation will be offered.

Registration

Wednesday June 7, 2017 16:00 – 18:00 h.

Thursday June 8, 2017 08:00 – 15:00 h.

Friday June 9, 2017 08:00 – 11:00 h.

At the registration desk each staff member will be happy to help you with any enquiries.

Accreditation

Slovak Accreditation Council for Continuing Medical Education (SACCME) has granted credits to the Congress as follows:

for passive participation - June 8, 2017 – 5 credits
June 9, 2017 – 5 credits

for active participation - 1st author 15 credits
co-author (most two)

Credits for passive participation are granted also to active participants.

Certificate of Attendance

Participants will be provided with a Certificate of Attendance only after signing a list of attendance. Slovak participants are required to write the registration number of The Slovak Medical Chamber. The Certificates of Attendance will be issued after the Congress and will be sent to all delegates via e-mail.

No certificates will be issued during the Congress.

Presentation Guidelines

Oral Presentations

The length of presentation is scheduled to 8 minutes plus discussion to 2 minutes. **If the length of presentation will be 10 minutes the discussion will be not held.** The lecturers are obliged to submit the documentation in electronic form (Microsoft PowerPoint) 15 minutes before the beginning of a Scientific session at latest. The use of private laptop is not allowed.

Posters

Posters will be displayed in a vestibule next to the Lecture Hall during the whole time of Congress. The recommended size for a poster is 120 x 90 cm. Poster attachment on the poster boards will be provided by push pins available at the Registration desk. Poster discussion will be organized and the authors are obliged to be present at their posters on 9th June 2017 between 08:00 – 08:30 h.

Mobile phones

Mobile phones should be switched off during any Scientific Session.
